If you arrive after 4 p.m. or on the weekend or a holiday, you'll find a mailbox key in the lockbox with your name on it. The mailboxes are in the lobby, to your left. You'll find the apartment keys and a registration card in the mailbox.

There will be a keybox with your name on it hanging on the surfboard storage room in the garage. The code to open the box is 9 2 3 0 5. Inside the box, you'll find a mailbox key. The mailboxes are in the lobby, to your left. Inside the box, you'll find a set of keys to the apartment and a registration form to complete and return to the manager

To operate the elevator, hold the key with the flat part level, with the arrow on top. Then insert it firmly and push the button for your floor.

You do not need to use the flatkey to instruct the elevator to stop on the 2nd, 3rd, and 4th levels for parking and the swimming pool. You will need to use the key at all times to access residential floors.

Please notice that there is a trash chute beside the elevators. Just to the right. Refuse must be in bags. Please separate aluminum cans, glass, plastic and newspapers for recycling in the basement.

As soon as you're settled in the apartment, walk to the sliding glass doors, go out onto the lanai, and enjoy the ocean view. Look down at the swimming pool. Mama Turtle is greeting you!

On the next page you will find out how to get to the pool and see where the laundry room, the recycling bins and the vending machines are located.
